

Pets Accident & Illness Policy

Insuring Agreement

**Aetna Insurance Company of Connecticut
(a stock company)**

This policy is non-participating

In consideration for: Premiums paid; your compliance with all of your duties in the event of Covered Loss; and all other terms and conditions set forth in this Policy; we will pay up to the applicable limit (less any corresponding Deductible) for charges incurred for veterinary services resulting from Accident or Illness to your Pet(s) that first occur and are treated by a veterinarian during the Policy Term and are covered under this Policy. This Policy contains very strict Claims reporting requirements which must be followed as conditions precedent to coverage. Changes can be made only: with our expressed prior written consent; and by amending the Declarations; or by issuing an Endorsement which is made part of this Policy. Changes, amendments and waivers to this Policy will take effect on the date we specify in the Policy Declarations and Schedules or Endorsement, and will not relate back to the Policy inception. If the policyholder changes from one plan to another with higher benefits, the maximum benefits will be limited to those which applied before the change in plan for any conditions manifested, whether treated or not. We may investigate and settle any Claim or suit that we decide is appropriate. Our duty to settle or defend ends when the amount we pay for damages in judgments or settlements resulting from the offense or Incident equals our indemnification limit of liability.

Throughout the Policy and any Endorsements, the words: “you;” “your;” “Insured;” and “Named Insured;” refer to the Insured. The words: “we;” “us;” “our;” and the “Company;” refer to the Insurer. Other capitalized terms have specific meaning throughout the Policy as defined in the Definitions Section.

Continuity of Policy Limits	Should you change state of residence so that this Policy must change, then the previously applied: Claim payments; and per Incident Benefits; and Per Pet Lifetime Benefits; will remain with the Pet and not the Policy. Coverage will not be reset due to this change.
Policy Renewal	We will renew this Policy automatically on the three-hundred sixty-sixth (366th) day following the effective date, unless: you receive a written notice of non-Renewal from us; or we receive written notification from you of your intent to non-renew this Policy. If notice is not mailed at least 30 days before the expiration date of the Policy, the Policy will remain in effect for the lesser of: an additional 30 days; or until the effective date of any replacement coverage procured; on the same terms and conditions as the expiring Policy. If the Renewal is accepted, the new Premium and Renewal changes will be effective on and after the first day of the Renewal Term.
