

PETS ACCIDENT & ILLNESS POLICY

INSURING AGREEMENT

In consideration for premiums paid, your compliance with all of your duties in the event of insured loss and all other terms and conditions set forth in this policy, we will pay up to the applicable limit (less any corresponding deductible) for veterinary services resulting from accident, injury or illness to your pet that first occur and are treated by a veterinarian during the policy period and as covered in the policy. This policy contains very strict claims reporting requirements which must be followed as conditions precedent to coverage. You are authorized to make request changes in the terms of this policy. Changes can be made only with our expressed prior written consent and by amending the declarations or by issuing an endorsement which is made part of this policy. Changes, amendments and waivers to this policy will take effect on the date we specify in the policy declarations and schedules or endorsement, and will not relate back to the policy inception. If the policyholder changes from one plan to another with higher benefits, the maximum benefits will be limited to those which applied before the change in plan for any conditions manifested, whether treated or not. We may investigate and settle any claim or suit that we decide is appropriate. Our duty to settle or defend ends when the amount we pay for damages in judgments or settlements resulting from the offense or incident equals our indemnification limit of liability.

Throughout the Policy and any Endorsements, the words “you,” “your,” “Insured,” and “Named Insured” refer to the Insured. The words “we,” “us,” “our,” and the “Company” refer to the Insurer. Other capitalized terms have specific meaning throughout the Policy as defined in the Definitions Section below.

Deductibles and Co-Payments	<ol style="list-style-type: none"> 1. All claims are subject to any and all deductibles and co-payments. 2. Deductible refers to the amount of a covered loss for each incident for which you have become liable before benefits apply. Per incident deductibles will be applied and deducted from covered claims before benefits apply. After application of the deductible, we will settle any claim or dispute, up to eighty percent (80%) of the remaining amount of the usual and customary veterinary charge for each covered incident, not to exceed the per incident policy limit for all accident and illness coverage. The Pet Owner will be responsible for paying the twenty percent (20%) co-payment portion of the remaining balances of the claim. 3. Co-payment is the stated percentage of each covered claim for which you are responsible for paying in addition to any per incident deductible. The co-payment share of each covered claim under this policy will be a minimum of twenty percent (20%).
Waiting Periods that Apply	The Illness and Wellness liability benefits are subject to a fourteen (14) day waiting period, following the effective date of the policy before coverage becomes effective. There is a three (3) day waiting period for accidental injury only claims. These waiting periods are waived for continuous, uninterrupted policy renewals, including, at Companies discretion, uninterrupted policy renewals from other pet insurance providers.
Policy Term	<p>The term of this policy shall be for a period of three-hundred sixty-five (365) days and shall remain in effect as long as the premium is paid and you comply with all other terms and conditions of the policy.</p> <ol style="list-style-type: none"> 1. Coverage begins at 12:01 a.m. on the third day following the date the company or its designated representative receives and accepts the completed enrollment application and the required premium subject to the applicable waiting period. 2. Coverage will be continuous until cancelled by you or us. Additional information regarding cancellation is listed in Policy Termination Provisions.
Premium Payments	You are responsible for the payment of all premiums. We must receive the first payment to place coverage into effect. Thereafter, premium payments will be due monthly unless we agree to accept quarterly, semi-annually or annually. All premium payments will be made by electronic debit to your credit card or bank account, unless you have made other approved payment arrangements with the company, which must be specifically set forth on the declarations page. Payments by check will only be accepted when at least ninety (90) days of premium has been paid up-front. This policy will be cancelled if the premium payment is not received within ten (10) days of the due date. Additional information regarding premium payments is listed in the policy declarations.
Electronic Delivery	Electronic delivery of policy and endorsements: by accepting the terms of this insurance as evidenced by the payment of premiums hereunder, it is agreed that this policy and any endorsements may be delivered to you by electronic mail via the internet, at the company's option. If you choose not to accept electronic delivery of this policy, you must immediately notify the company and arrange for the policy to be mailed or otherwise delivered.
Continuity of Policy Limits	Should you change state of residence, or should the company change insurers, so that the company underwriting this policy must change then the previously applied claim payments and per incident and per pet lifetime limits will remain with the pet and not the policy, and therefore will not reset.

Policy Renewal	<p>We will renew this policy automatically on the three-hundred sixty-sixth (366th) day following the effective date, unless you receive a written notice of non-renewal from us, or we receive written notification from you of your intent to non-renew this Policy for 3 years. Coverage shall renew upon the same terms and conditions set forth in this Policy unless the company provides you written notification of policy changes, in accordance with the renewal provisions set forth below. We may nonrenew your policy for the following reasons:</p> <ol style="list-style-type: none"> 1. conviction of a crime arising out of acts increasing the hazard insured against; 2. discovery of fraud or material misrepresentation in obtaining the policy or in the presentation of claim thereunder; 3. discovery of willful or reckless acts or omissions increasing the hazards insured against; 4. physical changes in the property insured occurring after issuance or last annual anniversary date of the policy which result in the property becoming uninsurable in accordance with the insurer's objective, uniformly applied underwriting standards in effect at the time the policy was issued or last voluntarily renewed; or 1. a determination by the superintendent that the continuation of the policy would violate or would place the insurer in violation of this chapter.
Renewal Premiums or Coverage Changes - Prior Notice Required	<p>If we elect to renew this policy and the premium will increase by more than 30%, the deductible will materially change or we will materially reduce limits or coverage, we will mail written notice to you at the last known address at least 45 days prior to the expiration date of the Policy. If notice is not mailed at least 45 days before the expiration date of the Policy, the Policy will remain in effect for an additional 45 days or until the effective date of any replacement coverage procured, whichever is less, on the same terms and conditions as the expiring policy. If the renewal is accepted, the new premium and renewal changes will be effective on and after the first day of the renewal term. If the Policy is not renewed, any earned premium for the resulting extended period of coverage will be calculated pro rata at the rates applicable to the expiring policy.</p>
Fixed Premium Option - Special Conditions	<ol style="list-style-type: none"> 1. <u>Fixed Premium Coverage</u>: at our option, we may offer fixed premium coverage to new and existing insured. This optional coverage will enable the insured to fix the monthly premium for their Pets First or Pets Basic plans for each Pet identified in the Declarations. An additional monthly premium will be charged for each pet under this Fixed Premium option. The monthly premium will be established and fixed based upon the current age of the Pet(s) at the time this provision is made effective and will not be subject to change until a dog reaches eight (8) years of age or a cat reaches twelve (12) years of age, except in certain circumstances set forth below, and provided that: (1) all premium payments are made in a timely manner; (2) continuous, uninterrupted policy coverage is maintained for the Pet(s) during the time this option is in effect; (3) no changes are made to the type of plan(s) selected; and (4) you comply with all material terms and conditions set forth in this Policy and its endorsements. 2. <u>Expiration Date and Recalculation of Premiums</u>: the fixed premium option will lock the base premium rate for your dog(s) or cat(s) at the current age of your pet at the time the option is purchased and shall remain in place through the policy period in which a dog reaches its eighth (8th) birthday or a cat reaches its twelfth (12th) birthday. Policy premiums for pets subsequent to the expiration of the fixed premium option will be calculated based upon prevailing rates, rate factors (including age of the pet), and any rate modifications in effect as of the next policy renewal date following a dog's eighth (8th) birthday or a cat's twelfth (12th) birthday. 3. <u>Illness Plan Coverage Upgrades</u>: subsequent to purchasing this optional coverage, if the Pet's First or Basic illness coverage is increased or upgraded to another illness plan that affords greater coverage for the Pet(s), the fixed premium option will automatically transfer to the upgraded illness plan. The premium for the subject pet(s) under the upgraded illness plan will be calculated based upon prevailing plan rates, rate modifications, and rate factors for the upgraded illness plan, except that the original age rating factor that was applied on the date this coverage became effective will remain in effect at the time an upgrade is made.

4. Illness Plan Coverage Downgrades: subsequent to purchasing this optional coverage, if the illness plan is downgraded to a plan that provides less coverage for the Pet(s), this endorsement will not transfer to the downgraded plan. The premium for the subject Pet(s) under the downgraded plan will be calculated based upon prevailing plan rates, rate modifications and rate factors for the downgraded plan at the time of the downgrade. At the time of the plan downgrade, if the company is still offering the fixed premium option, you may still have the option of purchasing a new fixed premium option based upon the current age of the Pet and subject to the prevailing terms and conditions of the fixed premium optional coverage.
5. Illness Plan Cancellations: if the illness plan is cancelled for any reason, this optional coverage will automatically be cancelled as well. In the event your plan is reinstated or upon your re-enrollment in another plan, and provided the company is still offering fixed premium endorsements at the time of reinstatement or re-enrollment, you may purchase a new fixed premium option, which will recalculate and fix the monthly plan premium for the Pet based upon prevailing plan rates, and any rate modifications and applicable rate factors.
6. Scope of optional coverage; Not Applicable to Other Promotional Rates and Discounts: this option will only apply to the base premium rate for the Pet(s) under the Pets Best illness plan as set forth herein, and does not apply to any other current or future discounts or promotional rates the company may offer from time to time, policy endorsements, or other fees the company may charge in accordance with the terms of this Policy.
7. Newly added pets: the Fixed Premium rate(s) under this optional coverage will not apply to the addition of new pets to the policy. Newly added pets will be subject to the rates and applicable rating factors in existence at the time a new pet is added to a plan. If, at the time a new pet is added to your policy, the company is still offering the Fixed Premium option, you may purchase the fixed premium optional coverage for any newly added pet(s) based upon the prevailing rates and terms and conditions then in effect.
8. No Guaranteed Renewal of Coverage: the purchase of this optional coverage does not guarantee that base coverage for the Pet will be renewed under your Pets Best policy at each policy renewal. The Pet remains subject to company underwriting guidelines and criteria.
9. Rate Revisions: if we file any plan rate revisions that would result in a premium lower than the Fixed Premium under this option, then the lower premium that results from the revision will be made available upon the next policy renewal.
10. Not Applicable to Accident only or BestWellness plans: this option is not available for use in conjunction with the BestWellness or Accident only plans.
11. Discontinuation of Fixed Premium Program: the company may, at any time in its discretion, discontinue offering the Fixed Premium option to new insured. The company, however, will continue to honor and provide the Fixed Premium optional coverage for any existing insured who has purchased the option prior to termination of the program, subject to the terms and conditions of this policy.

Plan Upgrades or Downgrades	<p>If you opt to transfer the Pet(s) to a plan with higher benefits, the maximum benefit payable with respect to an illness, accident or injury category will be restricted to the maximum benefits payable under the policy that applied during the period in which such illness, accident or injury was first manifested, or reasonably should have been discovered, diagnosed, or treated. If the level of coverage is lowered, the lower maximum benefits shall apply.</p> <p>Pre-existing limitations shall not apply to a Pet’s medical condition that existed, occurred or was diagnosed or treated prior to the plan upgrade or downgrade and after policy enrollment, provided that the Policy is continuously renewed and there is no interruption or lapse in coverage.</p>

Other Insurance	<p>This policy is excess over any other valid and collectible insurance, whether primary, excess, contingent or on any other basis. When this insurance is excess, we will only pay amounts (subject to policy limitations) in excess of other insurance. If no other insurance exists to cover claims, this policy will be considered primary and we will pay claims subject to the terms and conditions of the policy.</p> <p>If you or the Pet Owner have other insurance that provides similar primary coverage or is also excess covering the same insured loss, our share is the pro rata proportion that the applicable scheduled limit, or sub-limit, under this policy bears to all other applicable excess or primary coverage, but we will not pay more than the applicable scheduled policy limit or sub-limit. It is the responsibility of the Insured to notify us in the event that other insurance is in force. Failure to do so may result in cancellation of policy and forfeiture of benefits.</p>
Release of Information and Records	If requested, you agree that the current or previous attending or treating veterinarian(s) is/are allowed to release information or records to us regarding the Pet(s) in conjunction with enrollment application or the processing of a claim or the handling of a dispute. Non-Transferable Interest	<p>Your rights and duties under this Policy cannot be transferred without our prior written consent, except in the case of your death. If you die, your rights and duties will be transferred to your legal representative, but only while acting within the course and scope of their duties as your legal representative. Until your legal representative is appointed. Anyone having temporary proper custody of the insured pet will have your rights and duties under the policy, but only with respect to the insured pet.</p> <p>We reserve the right to require new proof of insurability and apply new underwriting criteria and rates in the event the Pet Owner transfers the ownership of a Pet(s) to others who desire to maintain insurance coverage with us.</p>
Premium Refund Conditions	If the Policy is cancelled within fourteen (14) days of its initial issuance and no claims have been submitted or paid, then the premiums shall be fully refundable. Reinstatement of Limits	Policy benefits, except for lifetime and maximum per incident per pet limits, are automatically reinstated annually if this Policy is renewed by the company for an additional policy term. The renewal policy may be subject to changes in rates, terms and conditions as set forth in our offer to renew. Upon renewal, lifetime and maximum per incident per pet limits are reduced by relevant payments made under prior policy terms.

Transfer of Rights of Recovery Against Others to the Insurer	If we make payment under this Policy and the insured has rights to recover damages from another, those rights are transferred to us to the extent of our payment. The insured must do everything necessary to secure these rights and must do nothing after loss to impair them.
Veterinary Records Processing Fees	Upon initial enrollment, we may contact the veterinarian and request the Pet(s) veterinary records to assist us in processing your application.
